The first reason is that I bought the book at a local bookstore, I used it (note: it was \$20) and the pony's head was twisted from me, at a strange angle. It was as if it body to me, but it's head was back. Ok, if someone hasn't downloaded yet, and they actually want to, don't download this cheap, trashy app. I am a mother of 4 children, and my was nothing but disappointed. She even said to me, Mom, why doesn't it work? I asked her to bring me a tablet and she showed me. My husband looked at the app, (like me,) and it was just.. Eh.. Haunted! The second reason, you can not even control, as it shows. Yada, yada, yada. End. I'm very disappointed and my kids are too. This game is just rubbish. - Mother of 4 kids.
